American Honda Motor  
Co.

**Manufacturer Safety-related recall issued**

- NHTSA #16V-933  
- Recall #KD5 2nd Row Walk-In Function Inop  
- Status: Remedy Available

Locate an authorized Honda dealer to obtain more information about this recall

⊖ [Learn more about this recall](#)

**Description:** AMERICAN HONDA MOTOR CO., INC. (HONDA) IS RECALLING CERTAIN MODEL YEAR 2011-2016 ODYSSEY VEHICLES. THE SECOND ROW OUTBOARD SEATS INSTALLED IN AFFECTED VEHICLES HAVE A RELEASE LEVER FOR THE WALK-IN FEATURE WHICH FOLDS THE SEATBACK AND SLIDES THE SEAT FORWARD FOR ACCESS TO THE THIRD ROW SEAT. DUE TO SEAT COMPONENT MANUFACTURING AND ASSEMBLY ERRORS, THERE IS POTENTIAL FOR THE SEAT TO STAY IN THE UNLOCKED POSITION AFTER RETURNING THE SEAT TO ITS NORMAL SEATING POSITION, WHICH WOULD ALLOW THE SEAT TO SLIDE FORWARD OR REARWARD WITHOUT WARNING.

AN UNLOCKED SECOND ROW OUTBOARD SEAT INCREASES THE RISK OF INJURY TO THE SEAT OCCUPANT DURING A CRASH.

**Remedy:** HONDA WILL NOTIFY OWNERS, AND DEALERS WILL INSTALL ADDITIONAL BRACKETS AND SPRINGS TO BOTH SECOND ROW OUTBOARD SEATS, FREE OF CHARGE. OWNERS MAY CONTACT HONDA AUTOMOBILE CUSTOMER SERVICE AT 1-888-234-2138. HONDA'S NUMBER FOR THIS RECALL IS KD5.

American Honda Motor  
Co.

**Manufacturer Safety-related recall issued**

- NHTSA #17V-725
- Recall #P0Q 2nd Row Outer Seat Striker Bracket (Seat Tipping)
- Status: Remedy Available

Locate an authorized Honda dealer to obtain more information about this recall

 [Learn more about this recall](#)

**Description:** American Honda Motor Co., inc. (Honda) is recalling certain model year 2011 - 2017 Odyssey vehicles. The second row outer (outboard) seats can be placed in two positions, standard and wide. When installing or repositioning the seat into either position, it is possible that the rear latch may not attach properly to the correct position on the seat striker.

An unlatched second row outer seat could tip forward during moderate to heavy braking increasing the risk of injury to an occupant, including a child seated in a LATCH child seat.

**Remedy:** Honda will notify owners in an interim notification that the parts necessary to repair their vehicles are currently not available. Included in the interim notification will be detailed instructions for installing/positioning second row outer seats and confirming that they are securely latched. These instructions can also be viewed on [www.recalls.honda.com](http://www.recalls.honda.com). Honda will send a second notification to owners when parts become available to repair their vehicles and dealers will install a bracket to the second row forward outboard floor strikers to prevent improper seat positioning, apply a warning label to the second row outboard seats and provide an updated owners information card for free. For additional questions or to get help locating a dealer, owners may contact American

Honda's Customer Support & Campaign Center at 1-888-234-2138. Honda's number for this recall is P0Q.

## Glossary

### Accident Indicator

CARFAX receives information about accidents in all 50 states, the District of Columbia and Canada.

Not every accident is reported to CARFAX. As details about the accident become available, those additional details are added to the CARFAX Vehicle History Report. CARFAX recommends that you have this vehicle inspected by a qualified mechanic.

- According to the National Safety Council, Injury Facts, 2021 edition, 5% of the 276 million registered vehicles in the U.S. were involved in an accident in 2019. Over 77% of these were considered minor or moderate.
- This CARFAX Vehicle History Report is based only on information supplied to CARFAX and available as of 7/9/24 at 2:40:27 PM (CDT). Other information about this vehicle, including problems, may not have been reported to CARFAX. Use this report as one important tool, along with a vehicle inspection and test drive, to make a better decision about your next used car.

### CARFAX Well Maintained - Regular Oil Changes

CARFAX identifies a "Well Maintained - Regular Oil Change" vehicle as having a regular oil change history when all its recommended oil changes, based on the vehicle's maintenance schedule, have been reported to CARFAX. CARFAX

uses the manufacturer's schedule and assumes normal driving conditions. When an oil change schedule is not available, CARFAX may analyze reported service events to determine what is typical for the same make and model vehicle. Dealers and service shops may publish different recommended service schedules.

### Damage Severity

Damage events result in one of the following severity levels:

- **Minor:** Generally, minor damage is cosmetic (including dents or scratches), may only require reconditioning, and typically does not compromise a vehicle's operation and/or safety.
- **Moderate:** Moderate damage may affect multiple components of the vehicle and may impair the vehicle's operation and/or safety.
- **Severe:** Severe damage usually affects multiple components of the vehicle and is likely to compromise the vehicle's operation and/or safety.

CARFAX recommends getting a pre-purchase inspection at a certified collision repair facility.

### First Owner

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

### Inspections

Many states or counties require annual or biennial emissions and/or safety inspections. Odometer readings are collected at the time of the inspection.

### Manufacturer Recall

Automobile manufacturers issue recall notices to inform vehicle owners of a safety defect or failure to meet minimum federal safety or emissions standards. Manufacturer recalls are repaired at no cost to the customer.

### Ownership History

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

### Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
